Following our extensive review, final decisions are made in July of each year. A Press Conference is held in early October to announce the inductees and the Induction Banquet is held in early December. Prior personal notification of each nominee will be made, should he/she be selected, as acceptance is necessary. All nomination forms and related documentation of individuals not selected are retained in our files for review in the future. At present, over 150 nomination forms are on file. We thank you for your nomination and we sincerely appreciate your continued interest in the Greater Flint Area Sports Hall of Fame.
